Annual Support Campaign
Superior Douglas County Family YMCA

GETTING BETTER EVERY DAY

Paris and her family have been part of the Y for years. She began using summer childcare when she was very young on a scholarship. She became a junior counselor volunteering her time each summer with the very same program she had attended as a young girl. Now you will find Paris at the front desk continuing to give back to the Y and the community.

This is one story; there are many more each day at the Y.

When you donate to the Superior Douglas County Family YMCA, you make Superior and Douglas County better through programs focused on:

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development— all grounded in the Y's core values of caring, honesty, respect, and responsibility.

Healthy Living

We help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can do.
