TOGETHER WE CAN MAKE A DIFFERENCE

FAXON CREEK CLEAN UP (Right behind our Y)

Wednesday, September 25th 9:30am

It is important that we do our part and join in the watershed cleanup initiative. Faxon Creek flows right into the bay down near Barker's Island so the area needs to stay clean.

Invite your family and friends. Many hands make a huge difference!

Please wear suitable clothing and footwear. Gloves and garbage bags will be provided.
